

HALF A BOY AND HALF A MAN – NICK LOWE (G)

You'd better run, you'd better hide
You'd better lock your house and keep the kids inside
Here come the twentieth century's latest scam
He's a half a boy and half a man

He ain't a fool but he's a tool
Because his left don't know what his right hand's doin'
He'd keep a King Kong eating out of the palm of his hand
Now he's a half a boy and half a man

CODA

Best be fleet up on your feet
Or else the S.P.G. 's gonna clear the streets
They never made no provision in the original plan
For half a boy and half a man

When his fingers do the walking, in the middle of the night
When his people stalk in, Baby, let me tell you
Nothing comes out right
