

Hey Mae, Hey Mae
Why don't you come on out, let's play
Please say, okay
I say today is a good day - I say today is a good day
I say today is a good day to play
I asked the weather man, how does the weather stand
He said the sun is gonna shine, I say, ooh that'll be fine
Hey Mae, hey Mae
Won't you come on out, let's play
Please say, okay
I say today is a good day - I say today is a good day
I say today is a good day to play

SOLO

Hey Mae, hey Mae
Won't you come on out, let's play
Please say, okay
I say today is a good day - I say today is a good day
I say today is a good day to play
We'll drink some soda pop, go to the record hop
Where we can do the bop, untill we're 'bout to flop
Hey Mae, hey Mae
Won't you come on out, let's play
Please say, okay
I say today is a good day - I say today is a good day
I say today is a good day to play

Hey Mae, hey Mae
Won't you come on out
Hey Mae
Ahh let's play - please stay - Hey Mae
