

I AIN'T GONNA BE YOUR LOW DOWN DOG NO MORE (E)

Well, well

Well I ain't gonna be your low down dog no more

Now I ain't gonna be your low down dog no more

Well if you don't want it all why the world don't you tell me so

Well my home ain't here and I ain't compelled to stay

No my home ain't here and I ain't compelled to stay

Well I'm sure gonna miss my baby when I'm gone away

I said ooh ooh ooh oohwee

Well ooh ooh ooh oohwee

Well it's a low down shame the way you've been treating me

SOLO

Well my home ain't here and I ain't compelled to stay

Well my home ain't here and I ain't compelled to stay

I'm sure gonna miss my baby when I'm gone away

I said ooh ooh ooh oohwee

Well ooh ooh ooh oohwee

Yeah it's a low down shame the way you've been treating me

A low down shame the way you've been treating me

A low down shame the way you've been treating me
