

SHE'S THE ONE TO BLAME (C)

You really drive me wild, drive me insane
Oewie that girl, wish I knew her name
O - O - O - O she's the one to blame

She got me all shook up, I'll never be the same
Oeh is this love or is it just a game
O - O - O - O she's the one to blame

SOLO

Well I'm a total wreck, well it's a crying shame
That sweet sweet thing, walkin' down the lane
O - O - O - O she's the one to blame
Rock it boys!!

SOLO

Oh she's a crazy child, such a craving flame
Oewie oewie, what a beautiful dame
O - O - O - O she's the one to blame
O - O - O - O she's the one to blame
O - O - O - O she's the one to blame
