

'TILL I WALTZ AGAIN WITH YOU – FREDDY 'FINGERS' LEE (F)

'Till I waltz again with you - just the way we are tonight
Well I will keep my promise true – 'till I waltz again with you

'Till I kiss you once again - keep my love locked in your heart
But darling I'll return again – then we'll never have to part

Though it may break - your heart and mine
The minute when it's time to go
Remember dear, these words divine - that means I love you so

'Till I kiss you once again - keep my love locked in your heart
But darling I'll return again - then we'll never have to part

SOLO PIANO + GITAAR

Though it may break - your heart and mine
The minute when it's time to go
Remember dear, these words divine - that means I love you so

'Till I waltz again with you - just the way we are tonight
Well I will keep my promise true – for you are my guiding light

Well I will keep my promise true – 'till I waltz again with you
Yeah I will keep my promise true – 'till I waltz again with you
