

TRYING TO GET TO YOU - ELVIS (E)

I've been traveling over mountains, even through the valleys too
I've been traveling night and day, I've been running all the way
Baby, trying to get to you

Ever since I read your letter, where you said you love me true
I kept travelling night and day, I kept running all the way
Baby, trying to get to you

When I read your loving letter, then my heart began to sing
There were many miles between us, but they didn't mean a thing

I just had to reach you baby, in spite of all you put me through
I kept travelling night and day, I kept running all the way
Baby, trying to get to you

Well, there's nothing that could hold me
Or could keep me away from you
When your loving letter told me - that you really love me too

Lord above he knows I love you, it was He who brought me through
When my way was dark at night, He would shine His brightest light
When I was trying to get to you

Well, there's nothing that could hold me
Or could keep me away from you
When your loving letter told me, that you really love me too

Lord above he knows I love you, it was He who brought me through
When my way was dark at night, He would shine His brightest light
When I was trying to get to you
