

TWENTY FLIGHT ROCK – EDDIE COCHRAN (A)

Ooh, well I got a girl with a record machine
When it comes to rockin' she's the queen
We love to dance on a Saturday night, all alone where I can hold her tight
But she lives on the twentieth floor uptown
The elevator's broken down
So I'll walk one, two flight, three flight, four
Five, six, seven flight, eight flight, more
Up on the twelfth I'm startin' to drag
Fifteenth floor I'm a-ready to sag, get to the top, I'm too tired to rock

When she calls me up on the telephone
Say, come on over honey, I'm all alone
I said, baby you're mighty sweet, but I'm in bed with the achin' feet
This went on for a couple of days
But I couldn't stay away
So I'll walk one, two flight, three flight, four
Five, six, seven flight, eight flight, more
Up on the twelfth I'm ready to drag
Fifteenth floor I'm startin' to sag, get to the top, I'm too tired to rock

SOLO

Well, they sent to Chicago for repairs
Till it's a-fixed I'm a-usin' the stairs
Hope they hurry up before it's too late, want my baby too much to wait
All this climbin' is a-gettin' me down
They'll find my corpse draped over a rail
But I'll climb one, two flight, three flight, four
Five, six, seven flight, eight flight, more
Up on the twelfth I'm ready to drag
Fifteenth floor I'm a-ready to sag, get to the top, I'm too tired to rock
