

WHY WORRY – THE EVERLY BROTHERS (E)

Baby, I see this world has made you sad
Some people can be bad
The things they do and things they say

But baby, I'll wipe away those bitter tears
I'll chase away those restless fears
And turn your blue skies into gray

Why worry, there should be laughter after pain
There should be sunshine after rain
These things have always been the same
So why worry now, why worry now

Intermezzo

Baby, when I get down I turn to you
And you make sense of what I do
And though it isn't hard to say

But baby, just when this world seems mean and cold
Our love comes shining red and gold
And all the rest is by the way

Why worry
There should be laughter after pain
There should be sunshine after rain
These things have always been the same
So why worry now, why worry now
Why worry now
